

Vendy

The Curiosity Cabinet

May 1, 2023 - WBCEF Report

How?

Vendy uses a special coin that students earn for exhibiting WOW behavior such as helping out, being kind to others, making good choices throughout the school, being safe, or going above and beyond.

Goal

The goal for each school year is for every student in grades PreK-4th, receive at least one new book of their choice from Vendy. With books being changed out each month, students can decide if they want to choose a book at that time, or if they want to wait to see what will arrive the following month!

What is Vendy?

Vendy The Curiosity Cabinet, is the newest member to West Branch Elementary School. Nestled in the corner outside of the library, he houses the newest and most interesting fiction and nonfiction books for our kiddos to enjoy! His contents will be shuffled and changed each month to keep students on the edge of their seats of what is coming next!

Keeping up with Demand

With over 400 students in the elementary school, keeping up with the demand of books is not an easy task. However, with Title money, donations from businesses and families, as well as Scholastic money books are literally flying out, and our kiddos at home libraries are filling up!
